Harlan Howard, Has Anybody Seen Me Lately

Has anybody seen me lately forgive me if I passed you by But ever since you stole my baby all I seem to do is cry I've wrapped my little world around me don't even know this life long friends Has anybody seen me lately well I wish they tell me where I've been Was I looking sad was I looking bad as I feel Lord I hope not Were my eyes full of dreams that fell apart it seems well that's all all what I've got Now if anybody seen me lately pretended I was someone else My mind just ain't been working lately Lord I wouldn't even know myself (steel) Was I looking sad...
