Harlan Howard, Hello There Stranger

Hello there stranger you look kind of sad today And I'll bet stranger that things haven't gone your way I'm sorry stranger I once felt as bad as you Remember stranger when you broke my heart in two I loved you stranger I loved you so much back then Much more stranger than you'll ever be loved again Well bye bye stranger I hope you don't cry too long No longer stranger than from ever sundown till dawn [steel]

Î loved you stranger...
