JUST A QUEEN FOR A DAY

(Harlan Howard)

'57 Central Songs

Hold me my darling make me believe those sweet tender love words you say
And help me forget that tomorrow you'll leave and I'm only your queen for a day
Queen for a day queen for a day
You'll love me and leave me you're funny that way
But darling I love you and each night I pray
I won't be just your queen for a day
No child in the nursery no ring on my hand for love is a game that you play
But I'll hold you darling as long as I can yes I'll be your queen for a day
Queen for a day queen for a day...
