You take this words directly strange You throw them just out of your range  
Without relation, trust, truth and honour Being depressed, oppressed, strong and honest  
The things we did were just a hint for you and me to take it constantly Confused ... your mind, your  
Prepare yourself for .....

Searching for something new Which doesnt take you down  
Searching for, searching for ... Which always helps you out  
Always wanted to suppress your individual personal stress You take this words directly strange  
You throw them just out of your range Without relation, trust, truth and honour  
Being depressed, oppressed, strong and honest The things we did were just a hint for you and me  
Confused ... your mind, your kind, your sight Prepare yourself for .....

Searching for something new Which doesnt take you down  
Searching for, searching for ... Which always helps you out
