

Harmony, I'm Still Missing You

I'm still missing you so
More than ever now
I want you to come back to me
No more happiness for me
Since you've been gone
I can't get over you
No matter what you say or do
If you come back to me
I'll love you more than I should
I'd love you endlessly
You know I would
I'm still missing you so
More than ever now
I want you to come back to me
You left me feeling lonely
I can't go on
Without your love I feel
All hope is gone
I can't even shut my eyes
All I see is you
And when I'm lost in thought
I still hear your gentle voice
I'm still missing you so
More than ever now
I want you to come back to me
How could I have let you
Leave my life
I should have stopped you going
I'll regret it for life
I took your love for granted
But I'm so sorry now
I still miss you baby
Come back and it'll be fine
I'm still missing you so
More than ever now
I want you to come back to me
I'm still missing you so
More than ever now
I want you to come back to me
