

# Harry Connick Jr., Come By Me

Come by me, come talk to me baby  
Tell me how we can combine  
Will you be my sunshine forever  
Will you be a friend of mine

Try me out and if you get excited  
Take me home, I'd love to be invited  
Once we're there, I'm sure you'll be delighted  
We can rock all night

Wait and see, we might fit together  
That would be my lucky day  
Come by me, come love with me baby  
Maybe we could run away
