

Harry Connick Jr., Do Nothin' Till You Hear From

Do nothin' till you hear from me
Pay no attention to what's said
Why one should tear the seam of anyone's dream
It's over my head

Do nothin' till you hear from me
At least consider our romance
If you should take the word of others you heard
Baby, I haven't a chance

True I've been seen
With someone new
That doesn't mean
I've been untrue
While we're apart
The words in my heart
Reveal how I feel about you

Some kiss may cloud my memory
And other arms may hold a thrill
But please do nothin' till you hear it from me
Baby, you never will
