

Harry Connick Jr., The Most Beautiful Girl

I met her... but I never thought
She'd belong to me
I just wanted someone I could sing to
Who'd listen to every song
Oh, I just wanted someone I could cling to
Cling to all night long

So I kissed her... but I never thought
She'd belong to me
And when I felt her lips I skipped a heartbeat
'cause I was so in love with this girl
Oh, and how many times does your heart meet
The most beautiful girl in the world

So I thought and thought about her
I just couldn't stop thinking about her
And I died when she called me up and said
She couldn't stop thinking about me

Now I love her... but I never thought
She'd belong to me
Now guys are calling wanting to be boyfriends
But they're going to have to answer to me
Oh, 'cause I'm going to tell all those toy friends
That she belongs to me
