In a dream the strangest and the oddest things appear

And what insane and silly things we do.

Here is what I see before me, vividly and clear:

As I recall it, you were in it, too.

I had the craziest dream last night, yes I did.

I never dreamt it could be

Yet there you were, in love with me.

I found your lips close to mine so I kissed you

And you didnt mind it at all.

When Im awake such a break never happens.

How long can a gal go on dreaming?

If theres a chance that you care

Then, please, say you do, Baby.

Say it and make my craziest dream come true.
