## Harry Styles, Canyon Moon

You gotta see it to believe it Sky never looked so blue So hard to leave it That's what I always do So I keep thinking back to A time under the canyon moon

The world's happy waiting Doors yellow, broken, blue I heard Jenny saying "Go get the kids from school" And I keep thinking back to A time under the canyon moon

I'll be gone too long from you

Staring at the ceiling
Two weeks and I'll be home
Carry the feeling
Through Paris, all through Rome
And I'm still thinking back to
A time under the canyon moon

I'm going, oh, I'm going I'm going, oh, I'm going I'm going, oh, I'm going home I'm going, oh, I'm going I'm going, oh, I'm going I'm going, oh, I'm going home

Quick pause in conversation She plays songs I've never heard An old lover's hippie music Pretends not to know the words And I keep thinking back to A time under the canyon moon

I'll be gone too long from you

I'm going, oh, I'm going
I'm going, oh, I'm going
I'm going, oh, I'm going home
I'm going, oh, I'm going
I'm going, oh, I'm going
I'm going, oh, I'm going home
I'm going, oh, I'm going
I'm going, oh, I'm going
I'm going, oh, I'm going
I'm going, oh, I'm going home (hey)
