

Harry Styles, Meet Me in the Hallway

Meet me in the hallway /2x
I just left the bedroom
Give me some morphine
Is there any more to do?

Just let me know I'll be at the door
At the door
Hoping you'll come around
Just let me know
I'll be at the floor
at the floor
maybe we'll work it out
I gotta get better /6x
And maybe we'll work it out

I walked the streets all day
Running with the fears
Cause you left me in the hallway
Give me some more
Just take the pain away

Just let me know I'll be at the door
At the door
Hoping you'll come around
Just let me know
I'll be at the floor
at the floor
maybe we'll work it out
I gotta get better /6x
And maybe we'll work it out

We don't talk about it
It's something we don't do
Cause once you go without it
Nothing else will do
