Hatesphere, Deathtrip

Fighting to be released From the strings attached to me Intriguing voice invades my head The dark side speaks to me Deathtrip For death I am yearning Deathtrip My whole world is burning I enter the gates to his mind Let the sickness inside The rush of power turns me on Raise the hatchet for the below Deathtrip For death I am yearning Deathtrip My whole world is burning This rush of blood Has turned against me Pleasure and pain goes hand in hand The hatchets pointing my way Deathtrip
