Hatesphere, Down For Good

beware for lust can't you see it brings misery? start chasing your dreams get a life ain't that what you want? you better believe it you thought about quitting all just waiting to take the fall who would you blame for leaving this earth? when you've felt like this since your birth losing your self-esteem waiting for life just to end your living is too extreme you thought about quitting all just waiting to take the fall somebody told you you were useless that's where your own world drown no one knows who you are now just stay down for good you've tried to hide your best it sucked, so fuck the rest it made no sense to me why is it that you can't see you wanted to be alone you wanted to be left alone take your life there's no point in waiting take your life just get the job done you're so low
