Got a gun, I don't want to fight
I'm a hot girl, I have a right
Heave a right, have a right
Kill a guy hard I'mma call you bruised
Feel dropped out and I'mma call you Cruise
Beat it up up up, pop the juice
Pop the juice, pop the juice

Big ba-na-nana uh na-na-nana /4x

If you want that, baby I got it

Gi-gi-gi-give me
Gi-gi-gi-give me
Gi-gi-gi-give me
That big fat..

If you shit don't matter black or white
Let me shake the uh then flip the light
Let 'em all bark, I love to bite
Love to bite, love to bite
Getting tipsy, ain't getting loose
I got the vibe, they got the juice
Beat it up up up, pop the juice
Pop the juice, pop the juice

Big ba-na-nana uh na-na-nana /4x
