## Haven, Holding On

Lost your faith drowning, drowning starry eyes want keep flaming I'd rather be still dreaming I can't watch you drown there's no trance of grieving, grieving starry eyes won't stop the waiting I'd rather be, still dreaming I can't watch you drown she says those words so dear for a little taste of it all all my words shed to tears all my life all my lost your faith drowning, drowning starry eyes want keep flaming I'd rather be, still dreaming I can't watch you drown she says those words so dear for a little taste of it all all your words shed to tears all my life, life, life all my life, life all my life
