

# Hawk Nelson, Long & Lonely Road

It's a long and lonely road,  
It's a long and lonely road

I took a walk down a country road  
I know this might sound dumb maybe  
But I was all alone

If you think that I'm going somewhere  
Take my hand, I'll lead you there  
Don't want to have to call you up from a payphone

It's a long and lonely road  
It's a long and lonely road (Whoa)  
If you don't like it, then you don't take it  
A long and lonely road

I took a walk down a country road  
I know this might sound dumb maybe  
But I was all alone

If you think that I'm going somewhere  
Take my hand, I'll lead you there  
Don't want to have to call you up from a payphone

It's a long and lonely road  
It's a long and lonely road (Whoa)  
If you don't like it, then please don't take it  
A long and lonely road

I know it is so hard  
For you and I to be apart  
I'm slowly fading  
You're my lady  
That keeps me moving on  
On!

It's a long and lonely road  
It's a long and lonely road (Whoa)  
If you don't like it, then you don't take it  
A long and lonely road

It's a long and lonely road  
It's a long and lonely road (Whoa)  
If you don't like it, then please don't take it  
A long and lonely road

Let's go!

Honest, promise  
You will be missed  
Honest, promise

You will be missed  
Honest, promise  
You will be missed  
Honest, promise  
You will be missed
