

# Hawkwind, It's So Easy

Try to understand it,  
Though it's very hard to see  
The reason we are living  
No longer seems to be  
Revolution's coming  
The chaos will soon end  
We've reached the age of learning  
You'll see it in the end  
It, it's so easy,  
It, it's so easy,  
It, it's so easy,  
It, it's so easy,

To say what you say  
Do what you want  
It happened today  
No matter what they say  
This world's so mixed up everywhere you go

Everywhere you go  
Everywhere you go  
Everywhere you go  
Everywhere you go  
Everywhere you go  
Everywhere you go  
Everywhere you go

Try to understand it,  
Though it's very hard to see  
The reason we are living  
No longer seems to be  
Revolution's coming  
The chaos will soon end  
We've reached the age of learning  
You'll see it in the end  
It, it's so easy,  
It, it's so easy,  
It, it's so easy,  
It, it's so easy,

To say what you say  
Do what you want  
It happened today  
No matter what they say  
This world's so mixed up everywhere you go

Everywhere you go  
Everywhere you go  
Everywhere you go
