

Hawkwind, We Took The Wrong Step Years Ago

Think about the things that we should have done before
The way things are going the end is about to fall.
We took the wrong step years ago
We took the wrong step years ago
We took the wrong step years ago

Take a look around and see the warnings close at hand
Already weeds are writing their scriptures in the sand
We took the wrong step years ago
We took the wrong step years ago

The morning sun is rising, casting rays across the land,
Already nature's calling, take heed of the warning,
We took the wrong step years ago
We took the wrong step years ago
We took the wrong step years ago
