

# Hawthorne Heights, Disaster

How should I say  
That I never wanted anything to change  
If I rearranged the pieces of  
A broken down ?

Do you believe in me  
Because I'm not sure  
I believe in anything, anymore

Pick up the pieces and  
Make me understand  
Why we can't move any faster  
We're losing all demand  
I've broken all my plans  
This year was a disaster

What should I do  
I never thought anything would come true  
The solution for the broken down ?  
I'm waiting for, waiting for  
To let me fall on through  
I'm getting closer to letting go, letting go of you

Pick up the pieces and  
Make me understand  
Why we can't move any faster  
We're losing all demand  
I've broken all my plans  
This year was a disaster

What you don't know  
Will only make this worse  
What you don't know  
Will only make this worse  
What you don't know  
Will only make this worse  
What you don't know  
Will only make this worse

Pick up the pieces and  
Make me understand  
Why we can't move any faster  
We're losing all demand  
I've broken all my plans  
This year was a disaster

Pick up the pieces and  
Make me understand  
Why we can't move any faster  
We're losing all demand  
I've broken all my plans  
This year was a disaster
