

# Haylie Duff, Our Lips Are Sealed(Ft.Hilary)

Can you hear them?  
They talk about us  
Telling lies, well that's no surprise

Can you see them?  
See right through them  
They have no sheild, no secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed

Theres a weapon  
Which we must use  
In our defense, silence

Spreading rumors, some far from true  
Dragged up from the under world  
Just like some precious pearl

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed

Pay no mind to what they say  
It doesn't matter anyway  
Our lips are sealed

Hush my darling  
Don't you cry  
Quiet, angel  
Forget their lies

Can you hear them?  
They talk about us  
Telling lies, well that's no suprise

Can you see them?  
See right through them  
They have no sheild, no secrets to reveal

It doesn't matter what they say  
In the jealous games people play  
Our lips are sealed

Pay no mind to what they say  
It doesn't matter anyway

Our lips are sealed  
Our lips are sealed  
Our lips are sealed
