

Haylie Duff, Sweetest Pain

I was analyzing
Rationlizing 95in'
Deep sea diving
Tryin' to escape the truth
Your my weekness
Your my chocolate cake
My extra sugar lemon aid
That kinda stuffs taboo

[hook]
I told myself from the start of things
You cant rule my heart
You cant pull my strings

[chorus]
I'm a fool for you baby
A fool for your love
Just a fool for you baby
I'm all mixed up (It's all about us) (It's driving me nuts)
I'm just a fool for you baby
And maybe it's my sweetest sin

I wanted to be on the road
But nothing on my mind
So I drove until my mind went numb
40 miles from L.A. was when I slammed onto my breaks
Sometimes smart girls can be so dumb
See I know no one treats me like you did
And will tonight

[chorus]
See I told myself from the start of things
You cant rule my heart
You cant pull my strings

[chorus]
