

Haysi Fantayzee, John Wayne is Big Leggy

Shotgun - gimme
gimme low down
flam boy
Ok. showdown

Take me away
He's big as a ranch
Take me away
He's as tough as they come
J-J-J-John Wayne
Take me away
He's so long
Take me away
You know he's never wrong
J-J-J-John Wayne

He stands so high
It's enough to make any red skin cry
He knows what's rights
He knows that God is with him
Coz hi is right!
Big Leggy lives
J-J-J-John Wayne
John Wayne in love lane
Making whoopee with his squaw
But his bullet belt keeps a-getting in a way
It's making his life a borew
So she says to him
"Take off the thing, it's getting right between us"
"No, listen honey, I can do that no even for you, my sweetness"
Now Big John
If that's a fact then how d'you propose we do our act
It that's the way it's gonna be get the hell out of my tepee
No speckled hen
You stop your squawking
Big Bad Rooster's doing the talking
I know a trick we ought to try tune right over
You'll know why

He stands so high
It's enough to make any red skin cry

...
