

# Head Control System, It Hurts

Let's go hunting baby  
Make me the animal that I am  
Or whatever so that I may be whole  
Your the beauty and I am the beast  
Oh... it's over

When it hurts, it hurts, you say  
It hurts me so my love die  
When it hurts, it hurts, you say  
It hurts me so my love die  
And I love to do it, don't you love me when I  
(do it to you)  
(I do it to you)  
And I love to do it, don't you love me when I  
(do it to you)  
(I do it to you)

I'm so full of life  
I got the death dry  
I feel so full of life  
I've got the death dry  
I feel so full of life  
Feels like I'm dying  
I feel so full of life  
Feels like I'm dying

Love me when I do it? Make me do it )  
Don't you love me when I do it? Make me do it )  
Don't you love me when I do it? Make me do it ) = &gt; (Love me. Make me do it.)  
Don't you love me when I do it? Make me do it )  
Don't you love me when I do it? )

And then it is over

When it hurts, it hurts you say  
It hurts me so my love die  
When it hurts, it hurts, you bad  
It hurts me so my love die  
And I love to do it, don't you love me when I  
(do it to you)  
(I do it to you)  
And I love to do it, don't you love me when I  
(do it to you)  
(I do it to you)
