

Head Control System, Wonderworld

One, two, three, one two three
Now we live and now we die
We come, and we go
The words: Ill be low
Oh God knows well
We bring our children to us and now were sad
But oh well

What a wonderworld we live in (We breed our children)
What a wonderworld we live in (We breed our children)
What a wonderworld we live in (Then we realise that were dead)
Cry your heart out
What a wonderworld we live in (Then we realise that were dead)
Blow your head off

Cry your heart out (On fire)
Tear your head off (On fire)
Cry your heart out
Blow your head off (Boom)
Youre a star (A supernova, a black hole out there)

Now we live and now we die
We come, and we go
The words: Ill be low
Oh God knows well
We breed our children, it hurts
Fuck

What a wonderful world (Were living in)
What a wonderful world (Were living in)
What a wonderful world (Were living in)
What a wonderful world (Were living in)
What a wonderful world (Say goodbye now)
Its really wonderful (Poisoned air)
Fuck it (Treasured air)

Three two one more time
What a wonderworld we live in (We breed our children)
What a wonderworld we live in (We breed our children)
What a wonderworld we live in (Then we realise that were dead)
Cry your heart out
What a wonderworld we live in (Then we realise that were dead)
Blow your head off
Treasured air
Our fucking treasured air
So cry your heart out

One two three now we live and now we die
Now we live and now we die
Now we live and now we die
Now we live and now we die
Now we live and now we die
Now we live and now we die
One two three now we live and now we die becoming our...
