

# Headcharger, Made To Be Spread

The time has come to show who you are  
Come to the show, set your anger free  
Let it grow, let it come  
I wanna hear you scream  
From the left to the right  
Ready to give everything you got  
From the back to the front  
Spread that motherfucking heat  
That shit is made to be spread  
Love it when its getting wild  
Dont need no watchword  
Dont need no fucking rules  
From the left to the right  
Ready to give everything you got  
From the back to the front  
Spread that motherfucking heat  
RIGHT HERE RIGHT NOW  
STILL STRONGER ALL TOGETHER  
RIGHT PLACE RIGHT TIME  
STILL STRONGER ALL TOGETHER  
You know what were here for  
Always ready to give everything we got  
Cauz you know we like it hot  
Come, join us and spread that heat...  
... RIGHT HERE, RIGHT NOW
