

# Headhunter, Signs Of Insanity

Do you remember, that there was a time  
We were laughing at conventional guise  
Long time ago we thought we were so cool  
Rebels who fight for their set own of rules  
Once you had idols,  
Once you had drive  
Master of treason  
But you didn't survive  
Insanity  
Once you had idols,  
Once you had drive  
Master of treason  
But you didn't survive  
Greed twists your personality  
Inheritance of sick society  
Signs of insanity!  
You don't need your friends anymore  
Selling yourself for a job like a whore  
Following blindly the mindless numb masses  
That swallow your own individual asses  
Once you had idols,  
Once you had drive  
Master of treason  
But you didn't survive  
Greed twists your personality  
Inheritance of sick society  
Signs of insanity!  
Your just a face in the crowd  
That's what life's all about  
How about your own believe?  
Admit your own defeat  
Your just a face in the crowd  
That's what life's all about  
How about your own believe?  
Admit your own defeat  
Do you remember, that there was a time  
We were laughing at conventional guise  
Long time ago we thought we were so cool  
Rebels who fight for their set own of rules  
Signs of insanity  
Greed twists your personality  
Inheritance of sick society  
Signs of insanity!
