Headstone Epitaph, Victory

[Some people and/or nations look at wars or manoeuvers during peaceful times as being a great a

There's a haze upon the water And the smoke, it hides the land A full moon is shining And it's time to take a stand

We'll come, We'll see, We'll take the victory One night in hell, Then all is well

We'll come, We'll see, We'll take the victory One night in hell, Then all is well

Then you see the torture Could it be a crime? This humiliating justice Puts indifference in their minds

We'll come, We'll see, We'll take the victory One night in hell, Then all is well

We'll come, We'll see, We'll take the victory One night in hell, Then all is well

Tear down the houses, Burn down the fields The wind blows the ashes Over the hills

We'll come, We'll see, We'll take the victory One night in hell, Then all is well

We'll come, We'll see, We'll take the victory One night in hell, Then all is well
