

Hearsay, Pure And Simple

You've been saying I'm driving you crazy
And I haven't been around for you lately,
But I've had a few things on my mind;
When I'm with you I am filled with emotion,
can't you see that I'm giving you devotion,
And a love like this is hard to find.

I know I've been walking around in a daze(baby, baby)
You gotta believe me when I say(ooh, ooh)

Chorus:

Wherever you go(I'm gonna be there)
Whatever you do(You know I'm gonna be there)
Pure and Simple, I'll be there for you
(Pure and Simple gonna be there)
Whatever it takes, I swear it's true
(You know I'm gonna be there)
Pure and Simple, I'll be there for you
(Pure and Simple gonna be there)

I've been there through the stormiest weather,
Always trying to make things a little better,
And I know I gotta try and get through to you;
You can love me in a way like no other,
But the situations taking you under,
So you need to tell me now what you wanna do.

I know I've been walking around in a daze(baby baby)
You gotta believe me when I say(ooh ooh)

Chorus

I'll always be there for you baby
You know that I'll always be around
(oh yeah you know I'm gonna be there)
I'll always be there for you honey
You know I'll never let you down(ooh ooh)
Cuz you're the only one for me (yeah yeah yeah)
Baby, Baby

Chorus(x2)
