

Heart, Anything's Possible

There are times in your life
They take you by surprise
You and I - I know we can talk about it
You're important to me,
Like the air that I breath
You and me - I know we can talk about it

When my conscience comes undone
I unfold and morning comes
I know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
I'll know anything is possible

There's a shadow of doubt
Turning you inside out
What you reveal can make you so strong
Tell me where is the proof?
Does it lie in the truth?
I believe we can be anyone

When my conscience comes undone
I awake and morning comes
I know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
I'll know anything is possible

I wanna know all about you
I wanna know all about you
I wanna know you

I wanna know all about you
I wanna know all about you
I wanna feel you

I know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
Then I'll know anything is possible
