

Heart, Kick It Out

Out of the street- get on home
tail shaking filly running on her own
they say she got loose on the night she was born
cranking it up in a school zone

'kick it out- kick it out!' she said
'kick out your motor and drive
while you're still alive- kick it out!'

sitting in a bar in a seaside town
sweet little love getting high getting down
sailors see her running along the beach
laugh and jump out of reach

wild music blowing in her mane
she needs a bareback rider won't give her no pain
a hard racy game of give and take
leaves them dazed- half crazed- in her wake

'kick it out- kick it out!' she said
'kick out your motor and drive
while you're still alive- kick it out!'
