Heart, Love Hurts

Love hurts, love scars, love wounds, In heart, any heart Not tough or strong enough to take a lot of pain Take a lot of pain Love is like a cloud that holds a lot of rain. Love hurts, oooooh love hurts

I'm young, I know, but even so I know a thing or two, I've learned from you I've really learned a lot, I really learned a lot. Love is like a flame, it burns you when it's hot. Love hurts, oooooh, love hurts

Some who dream of happiness, blissfulness, togetherness Some who fool themselves I guess Will tell you that it's real, but I know, I know it isn't true, I know it isn't true

Love is like a plot made to make you blue. Love hurts, ooooooh love hurts, oooooh, love hurts Oooooooh, love hurts.

Thank you, thank you We have a really good friend of ours helping us on backup vocalist tonight, Christin Berry
