

Heart, Will You Be There (In The Morning)

I'm lying beside you just thinking about us
Too tired to go to sleep and too much in love
I know I'm crazy but I can't close my eyes
I'm scared you won't be there in the morning when I rise
Will you be there?
Who do you dream about are you alone in your sleep?
To who will you reach out?
Oh, let it be me
Oh baby, you're my obsession, my addiction, my drug
Don't want to be without you when I wake up
Will you be there in the morning, will you be there when I want you?
Will you be there when I wake up, Oh I need you to be there in the morning
Will you be there?

Well, you're so close to me but I feel so alone
The more I touch you the more I want
Don't know what to do about me loving you but I pray to God that you feel it too
You're my obsession, my addiction, my drug, so let the candle grow into a great fire of love
Will you be there in the morning, will you be there when I want you?
Will you be there when I wake up?
I need you to be there in the morning!
I wanna love you forever,
Don't want a love that's now or never
Can't you see you got me down on the floor.
I want more MORE!

Will you be there in the morning, will you be there when I want you?
Will you be there when I wake up?
Will you be there in the morning?
Will you be there?
