

Heartsdales, Darlin' Darlin

(R) Why don't we get away? You & me
Escape to a new world
So sweet love I want you
I want you and nobody else

(Z) The way u move girl, every move's a pose
High fashion brands out the door

Making me wanna hold u lots

(R) Z.A.N.E hypnotize me!
you know? We'll have a good time
So don't be shy boy take me far away

(Z)
U got me thinking like I'm all in love
(Baby baby) we be (loving) hugging (get on) get on down
Watching the night turn to morning with you baby

*1 Darlin' Darlin' Sweetheart

Darlin' Darlin' Sweetheart
tonight

*2 (R) I really wanna be your girl
(Z) I really wanna be your boy tonight
(x2)

(Z) Just around the way, saw u walking with a couple of friends

I really wanna get to know you more
But I really never ever know the way to go

(R)
""
I've been looking at you everyday
I've been thinking about you every night

(Z) R.U.Main't no end
rendezvous
lady

(R) voice knock-out
Get your body moving tonight cause
love
you're my baby
