

Heather Nova, It's Only Love

I used to think that I knew what we needed
Just assumed we would always be fine,
now I don't think that we lost the feeling
but we let everything build up inside

It's only love,
but love should make us strong
it's only love
but love has been hurting so long

what a challenge, honesty,
what a struggle to learn to speak
who'd have thought that
pretending was easier.

It's only love
but love should make us strong
it's only love
but love has been hurting so long

and its all a part of me, it tears at my heart
only love
and it's all an eternity, hoping to learn
only love

there's a part of you I'm trying to reach
still a part I don't know,
tell me, is devotion a gift or a thief?
do you wish I'd let go?
