

# Heatwave, All I Am

Who do you think you see  
When you look at me  
Is it somebody strong  
Somebody you could admire

And who do you think I am  
when I take your hand  
Are you counting on me  
To fill your dreams and your desires

Chorus

Well all I am  
is lonely just like you  
All I wanna do  
is have one dream comes true  
All I am  
is handing you my heart  
hoping to be part of you

Who do you think you are  
Standing in the dark  
Are you waiting for me  
Why can't I reach you from here

oh, how do I get to you  
won't you let me through  
don't you think that may  
we have something special to be shared

(chorus)
