

# Heaven's Gate, Pictures In The Mirror

[Rettke/Paeth/Bilski]

Sound of breaking glass again  
he's on the run and another fightin' stand  
no way out there in the night  
he's got no choice if he wants to win the fight

[BRIDGE:]

And he's waitin' for a view  
but they set his heart on fire

[CHORUS:]

Pictures in the mirror  
he is on the loose again  
his wasted life is burning in his hand  
pictures in the mirror  
watch his face it turns to stone  
those empty ways he always walks alone  
pictures in the mirror

Now his back's against the wall  
in the air a painfull call  
another broken heart and soul  
if noone helps it'a loosin' role

[BRIDGE]
