Heaven Shall Burn, Black Tears

When I'm in this state of mind, I'm wishing I was blind, Sometimes life is more than pain to me

I feel the power of my grief, Death would be such a relief, All the secrets that I hide would die with me

Depression is my only friend, Will this torture never end? Let me carry on to dreamer's sky

I keep crying in my dreams, Can you hear my endless screams? When I fade away, I fade away...

This fluid on my cheek, It drains me, I get weak My heart is cold and bleak Black blood, black tears. Black tears, black tears.

Life is like a masquerade, In dept to myself, but I can't pay, Soon I'll call it all a day, away

I never felt what you call guilt, I still believe "Do what thou wilt", My sorrow will destroy the world I've built

This fluid on my cheek, It drains me, I get weak My heart is cold and bleak Black blood, black tears. Black tears, black tears.
