

Heavens To Betsy, Nothing Can Stop Me

If I show you that I'm alive
If I show you I've got feelings inside
If I show you that I'm not perfect
Then will you know that you can hurt me?

But if you think
That I'm not strong
You best watch out
Nothing can stop me

I read your words and cry
You betray my trust a million times
You poison my life with lies
You victimize, victimize, victimize you victimize

But if you think
That I'm not strong
You best watch out
Nothing can stop me

I got a heart that's true
I got somethings I must do
I know that everything's fucked up
But I ain't ever gonna shut up

But if you think
That I'm not strong
You best watch out
Nothing can stop me

Not you, not you (nothing, you can't stop)
Not you, not you
Not you, not you
Not you, not you

But if you think
That I'm not strong
You best watch out
