

Heavenwood, Hearthquake

I can't understand
Why you turn around
I can't understand
Why you bring me down.

Perhaps another day
You'll ask for me to stay
Perhaps another day
I'll be the last to say.

I can't understand
Why you turn around
I can't understand
Why you bring me down.

Perhaps another day
You'll ask for me to stay
Perhaps another day
You'll be the last to say

My heart beats for your soul
It'll just stop when you'll get old.
