

# Heavy D, Now That We Found Love

Yeah  
Yeah-yeah

""[Chorus]""

Now that we found love, what are we gonna do  
[what are we gonna do]  
with it? [with it?]  
Now that we found love, what are we gonna do  
[hey-yeah]  
with it?

""[Verse]""

[Now] One (-one) two (-two), tell me what you got  
Let me slip my quarters inside your slot to hit the jackpot  
Rev me up, rev me up  
My little buttercup  
We can tug sheets, snuggle up and get stuck  
Believe it or not  
Here comes the brother with glow  
A strugglin', bubblin' overweight lover hurt prone  
So what's it gonna be (-be)  
Me or the TV  
Let me take time to set your mind and your body free

[Now] So why don't you just stretch, stretch, stretch for a sec?  
Played ??? ??? so I could cop a quick rec  
Shake me, shake me  
Baby baby bake me  
No need to fake here I am  
Come on and take me  
Wind your body  
Baby move your body  
I see you slip-sliding  
Come on now do it, hottie  
I'm not quite sure as to what is going down  
But I'm feeling Hunky Dory  
About this thing that I found.

""[Chorus]""

Now that we found love, what are we gonna do with it?  
Now that we found love, what are we gonna do with it?  
[Come on Heavy, come on Heavy]

""[Verse]""

[Now] I dig the way you wiggle  
You don't jingle, but you jiggle  
So hand over your love  
Cause it's heavy in the middle

Move her like a mover  
she wanted to groove so I grooved her  
then she wanted to learn so we played school  
and I schooled her

[Now] (Mary had a little lamb)  
But not like this  
We can waltz and turn  
Rumble, tumble and twist  
Then you think you wanna give in  
Phantasies relivin'  
So lay down and relax  
[Yeah that's cool]

[Now] Lover my lady

Lady love of my baby girl  
Spread your wings  
So we can fly around the world  
Harmony, charmin me  
Your fingertips are callin me  
When you dropped the kiss on Suzie Q  
You dropped a bomb on me

[Now] Stretch it, stretch it  
Flex it, flex it  
Gimme the permission  
Okey, dokey  
I'll bless it  
Blessin' like buddha  
Buddha as the bless  
We can lay down at the love and  
Put your head on my chest [now that we]

""[Chorus]""  
Now that we found love, what are we gonna do  
[what are we gonna do] uh, yeah  
with it? [with it?] uh  
Now that we found love, what are we gonna do  
[come on and tell me]  
with it?  
TR, get em up one time

""[Bridge]""  
[Now] Uh, keep it funky  
Yeah [keep it smooth] like this  
[Now]  
Uh, here we go

""[Verse]""  
(Now) What can we do?  
What are we gonna do?  
Roses are red and Violets are blue  
Love is good and plenty  
If you get plenty good lovin'  
Kiss you where you're hot  
to what I got to keep you bubblin

[Now] Do me right, do me right  
My lonesome dove  
Tell your man one time  
What is this thing called love  
I'm not quite sure  
As to what is going down  
But I'm feelin' Hunky Dory  
About this thing that I found [yeah]

""[Chorus]""
