

Hedley, Like Me

I need something to believe in,
I need something to feel,
I need something to rely on,
I need something real.
I won't slit another neck here
I won't play your little games
Inside of me is hollow
And it's driving me insane

If you understand what it means to fly
When you feel this way
And you understand what it means to cry
When you feel alone,
Like me
Alone like me
Alone like me
Alone like me

A don't care about your army
I don't care about what you've got
You can come at me with everything
I got nothing left to lose
And inside of me is hollow
Full of petty pointless rhymes
Im so bare on he inside
And I'm running out of time

And if I apologize once more
I would hate, myself
If you understand what it means to cry
When you feel, alone
Like me
Alone like me
Alone like me
