Dagen gr emot ett avsked  
hll skiljevg fr oss  
Sovandes mellan hnder  
s drjer livet kvar

Sorgen r en ensam fgel  
som slumrar dr du bor  
den drjer nnu kvar i porten  
men r nrmare n du tror

Dden den frhller sig s lng  
till livet som s kort  
Srjer fr att brja resan  
ensam lngre bort

Dagen gr emot ett avsked  
hll skiljevg fr oss  
Sovandes mellan hnder  
s drjer livet kvar

Sorgen r en ensam fgel  
som slumrar dr du bor  
den drjer nnu kvar i porten  
men r nrmare n du tror

Dden den frhller sig s lng  
till livet som s kort  
Srjer fr att brja resan  
ensam lngre bort

&lt;lyrics&gt;

Day wears to a farewell, dearest,  
Our ways go soon apart.  
Life that in my hands yet slumbers  
Will presently depart

Sorrow is a lonesome bluebird  
That slumbers where you live,  
Lingering yet at your gate,  
Closer than you would believe.

Death's so dreary and so lasting,  
Life is but so brief,  
Sad to start alone the journey,  
It fills your heart with grief.

Day wears to a farewell, dearest,  
Our ways go soon apart.  
Life that in my hands yet slumbers  
Will presently depart

Sorrow is a lonesome bluebird  
That slumbers where you live,  
Lingering yet at your gate,  
Closer than you would believe.

Death's so dreary and so lasting,  
Life is but so brief,  
Sad to start alone the journey,

It fills your heart with grief.
