

# Hefner, Don't Go

Put on your underwear  
Pull your tights over your knees  
Button up your blouse  
Zip up your skirt  
Put on your shiny shoes, we're going out

I have never loved you more  
than I do right now  
Hold on

It's much better than before  
When you talk I listen and we do it on the floor  
Baby, baby, baby  
Pin me down  
Let's do it now

I have never loved you more  
than I do right now  
Hold on

Don't go, don't change  
Just stay the same  
Don't leave, don't try  
Don't ask me why

I love you so much  
But the language lets me down  
Lets me down  
Don't go, don't change, just stay

Kick off those shoes  
Undo your blouse  
Drop your skirt  
Pull down those tights  
Take of your underwear  
Let's go to bed  
It's getting late

I have never loved you more  
than I do right now  
Hold on

Don't go, don't change  
Just stay the same  
Don't leave, don't try  
Don't ask me why

I love you so much  
but the language lets me down  
lets me down  
Don't go, don't change, just stay

Don't go, don't change  
Just stay the same  
Don't leave, don't try  
Don't ask me why

I love you so much  
but the language lets me down  
lets me down  
Don't go, don't change, just stay
