

# Heideroosjes, Home

Get in the van, hit the road  
Against the steam we swim  
Another town, another club  
Forever drink life to the brim

Different night, different crowd  
Always pure 'n always loud  
Give it all, a little more  
Till I die, that's what I'm here for

Home is where the heart is  
My heart is where the road is  
Home is where the heart is  
The road is where my home is

Like a dog we use to live  
A lot to gain a lot to give  
We have a dream, the four of us  
Conquer the world in a broken bus

Modern nomads, don't stick too long  
Unload the van and play our song  
And if you wake, the morning after  
Our ugly bus became a little wafter

Home is where the heart is  
My heart is where the road is  
Home is where the heart is  
The road is where my home is

Home is where the heart is  
My heart is where the road is  
I try to find myself a way home  
How far away can my home be?
