

# Heideroosjes, Unique!

Not understood, alone and confused  
No drift to live, everything pitch-black  
I'm not doing anything right and everything is wrong  
I don't want to stay in line, I'm a drop-out

Kicked, smacked, killed  
Spat upon, ridiculed, puked out  
Everybody is together and I'm alone  
But I'm working my way out of this pain

My head up, my chest proud forward  
I am who I am and I'm not ashamed  
Cause I'm a human, I'm not a freak  
I live cause I breathe, so I'm unique!

I've got a big mouth but my heart is small  
I feel your words sting, yeah they hurt  
But I won't give up, I'll fight my own way  
Do you walk with me? No? Well, screw you then

Beauty, beauty, what is it all about?  
If you're rotten all the way through on the inside  
Call me ugly, stupid or too small  
That's how I'm born and how I'll be

My head up, my chest proud forward  
I am who I am and I'm not ashamed  
Cause I'm a human, I'm not a freak  
I live cause I breathe, so I'm unique!
