

Heideroosjes, What You Own Means Nothing

what's a million dollars
if your girl has been abused
what's a fancy rolls royce
if your friend is being accused
what's a normal lady
if she's got cancer in her head
what's a medal of honor
if all your comerades are left for dead
what's a funny big house
if it doesn't make you feel at home

Chorus:

what you own means nothing
what you get means nothing
what you are means nothing
nothing at all
what you own means nothing
what you get means nothing
what you are means nothing

what's a crown of gold
if you are fighting aids and loose
what's a newborn baby
if mammy dear only loves the booze
what's a worlwide selling medium
if you loose your only son
what's a graduation
if a friend commits su'cide with your gun

Chorus

if huge men own their own property
their property owns them

Chorus
