

Heidi Montag, Body Language

(Body Language)
(Ohhhh....Ohhh....)

I see what i need to do

i see you watching
tell me is there something you like?, like
cause i feel your eyes
as they undress me

no dont you stop it
love it with your bad attitude
cause im in the mood
baby impress me

let me follow your lead
baby come on control me
come over take on me
take me

if your in it for real
go ahead put it on me
i know that you want me
so take me

read my body language
i do what you like, like
so prove that your right right
control me

read my body language
i do what you like, like
come into my spotlight
i got what you need
i got what you need

boy whatcha waiting for
come and take control over me me
show authority
cause i am
looking for a boss type
someone to fulfill all my needs needs
so give me your keys
and guidance

let me follow your lead
baby come on control me
come over take on me
take me

if your in it for real
go ahead put it on me
i know that you want me
so take me

read my body language
i do what you like, like
so prove that your right right
control me

read my body language
i do what you like, like

come into my spotlight
i got what you need need...
i got what you need need...

{spencer pratt rap}
check out
chillin in the back of the club tonight
make kin between us only right
dancing show me your step
and go ahead speed it up like
get in the left lane up
in the jet plane
fuel about a mill mill
from paris to beverly hills
with that girl
with my eyes on a sassy pearl
heidi montag
yeah thats my girl

Soo Freeeee Baby
Baby Pleeeeassee

read my body language
i do what you like, like
so prove that your right right
control me

read my body language
i do what you like, like
come into my spotlight
i got what you need

read my body language
i do what you like, like
so prove that your right right right
control me

read my body language
i do what you like, like
come into my spotlight
i got what you need

read my body language
i do what you like, like
come into my spotlight
i got what you need
