

# Heinz Winckler, The Way It Is

Good times were burning so strong and so bright  
That other lovers pale  
But we know the good times they come and they go  
Coz life's no fairytale

So if you wake one morning  
And your heart starts questioning  
You gotta hold on and don't let go  
Coz when it all starts falling  
Tell me can you build it back up again  
Can you promise me baby'

(CHORUS)

We don't talk any more  
We don't dance in the dark  
You gotta hold on  
And don't let me out of your world  
We don't walk in the rain  
You don't call out my name  
You gotta hold on and don't let me go  
That's the way it is, that's the way it is  
No lies no secrets I hide from your eyes  
The way it's meant to be  
Coz in time in time we all lose this disguise  
And beauty fades away  
Coz when you wake one morning  
And I'm not the way that I used to be  
You gotta hold on and don't let go'  
And when it all starts falling  
Tell me can you build it back up again  
Can you promise me baby'

CHORUS

And like a ship on the ocean  
Without your love watching over me  
I'm lost at sea  
If I needed you would you rescue me

CHORUS
