

Helen Baylor, There's No Greater Love

[Chorus 1:]

There's no greater love
Than the love Jesus can give
Oh no God gave Him
His only begotten Son
Oh yes He did
And there's no greater love
Than a man lay down His life
For a friend
There's no greater love oh no no
Than the love He has for you
I gave all my heart Jesus to You
Oh yes I do

[Verse 1:]

I hear You been searchin'
Lookin' here and there
You've been needin' somethin'
Somebody to really care
There's no need to look any further
Need a man called Jesus
Beside Him there's no other
An extraordinary man
Always there for me
And in return I wanna be
The best that I can be

[Verse 2:]

He's all a God and all a man
And He's always there for me
And in return I gotta be
The best that I can be
Gave up His life
So that we could live

[Chorus 2:]

There's no greater love
Than the love Jesus can give
Oh no God gave Him
Gave His only begotten Son
Oh yes He did
And there's no greater love
Than a man lay down His life
For a friend
There's no greater love
Oh no no than the love
He has for you
I gave all my heart Jesus to You

[Misc 1]

[BRIDGE:]

Love Jesus
Than the love He has for you
I give all my heart Jesus to You

[Misc 2:]

[ENDING:]

Than the love he has for you
I give all my heart Jesus
'Cause there's no greater love oh no
And I give all my heart Jesus to You
There's no greater love
