## Hellacopters, Go Easy Now

The ship has sunk and hit rock bottomWe played our parts not very wellSo it has come to an end We wanted blessings and we got 'emBut there's no sequelNo part three for us to attend So cut us some slack now would youWe can't be taking it back so could youGo easy now on your of It's getting close it's drawing nearerIt's coming down hardBut it's not like it's a big surprise And as I look at myself in the mirrorIt's too lateTo say I'm sorry to apologize So cut us some slack now would youWe can't be taking it back so could youGo easy now on your of Take me down to my makerHands put together and on bending kneesIs there a way that I can bread So cut us some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the some slack now would youWe can't be taking it back so could youGo easy now on your of the your would you would
